

A Great Day in the Kingdom – August 21, 2020

As we have begun a new year of school, sports (hopefully), and Church programming, I am excited to see new faces. Some of these faces I am meeting behind a windshield, while others I see behind a mask, on Sunday mornings. Either way, it is wonderful to meet more of you, each day! With this in mind, let's work together in creative ways to be The Church. One might ask how we can operate in what seems at times as an alternate universe, but that being said, it is God's universe.

We will add more Bible Studies, including Disciple Bible Study, very soon. Please keep your eyes focused and your ears open. This past week we piloted the parking lot Bible Study, along with Parking Lot Worship. God was with us, as they both went well. However, well is not good enough as we keep working to improve upon each week.

I urge you if possible to participate where and when you can.

Let's immerse ourselves by living and learning the Holy Scripture together.

2 Timothy 3:16, All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness.

Let's keep training where and when we can, as we seek God's will in our lives.

Have a Blessed week!

Pastor Joel
