

A Great Day in the Kingdom – September 10, 2021

Have you ever experienced a situation in this life that wounds you? If you have walked planet Earth, the result is going to be, no one gets out of this life, unscathed. Most of us have physical scars from the hard knocks of life as a child. The physical scars can remind us to be aware and beware of those things that result in our harm.

In addition to physical scars, there are the emotional scars of life. We all have those, as well. Just as God heals the physical scars, He can also heal those scars resulting from negative or wounding experiences. As Christians, we know that all healing comes from Almighty God. No one can heal themselves. However, we can submit ourselves to God and we will be healed. First, we must put our trust in God, as we submit ourselves to Him. Secondly, seeking God's healing will for us through prayer of petition enables us to heal as He intended.

The God of Abraham and Isaac understands all. **Proverbs 3:5-6, Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight.** Sometimes we may feel like we are stuck in a crooked path of pain, yet, God asks only for us to trust in Him. We may ask, "How can I heal from this?" Be assured that The One who created Heaven and Earth can always re-create us.

PRAAYER: Heavenly Father, help us to remember our hurting becomes Your healing. Thank You Lord, for loving me, healing me and creating me. In the name of the Risen Christ I Pray. AMEN
