

## **A Great Day in the Kingdom – November 26, 2021**

Have you ever heard someone say, "We can't save the world."? Have you ever uttered those words yourself? As Americans we are sometimes guilty of combining Constitution with Consecrated Scripture. They are not one in the same, despite our lunatic fringe media's take.

Christians are called to Go Out and make Disciples of Jesus Christ. Remember Matthew 28, The Great Commission? We can also proof-text Paul's letter to the Churches in Philippi. **Philippians 2:4, Let each of you look NOT only to his own interests, but also to the interests of others.**" When we claim anything other than this attitude in our Christology, we walk away from the teachings of Christ.

John Wesley, the founder of the Methodist Church stated, "The world is my parish." These days, let's face it, people speak nonsense while being over entitled and under informed. In the name of Jesus Christ, the next time you and I hear that we are not responsible for the whole world, please beg to differ, as a Christian.

Remember **John 3:16, "For God so loved the WORLD that He gave His only begotten Son, so that we may not perish, but have eternal life."** If we are going to claim the title, "Christian" we are called by Christ into His truth and not our own. This is the only way to be a living testimony. People are watching and listening to those who claim the identity, "Christian". We must ask if we are quoting the Holy Scripture or ourselves. Let us live into the former narrative of God's truth, together.

*PRAYER: Heavenly Father, we pray that you remind us that our ultimate citizenship is in Heaven and not America. Help us to be Christians, first. We ask these things in Jesus' name. AMEN!*
