

A Great Day in the Kingdom – 9/22/23

Did you know that “Rejoice” as a command from God is mentioned over 300 times in our Holy Scripture? The irony of God’s command being neglected by humanity on a regular basis warrants a valid concern. Why would God intend for us to practice Rejoicing on a regular basis? We are fickle, fallible, forgetful and very much malcontent a good portion of the time.

When we choose to rejoice in all situations, we give room for the Holy Spirit to insert joy into our lives. My Mother quoted this verse every day of her life, until she saw the Face of God and is now living it for all eternity. **Psalm 118:24, This is the day the Lord has made; we will rejoice and be glad in it.** The Apostle Paul rejoiced in his sufferings, while being beaten, starved and imprisoned. Most of the Disciples left this Earth rejoicing, while the Romans were killing them. This, of course, terrified the Romans.

This week I am asking you to begin a new habit in your Prayer Life. Please, try rejoicing to God for the opportunity of a new day, in serving Him. This needs to occur before any petitions are made to God. This will be one of the most difficult practices for you on those rough days we all experience. You will be successful, and you will benefit both spiritually and theologically. God believes in You!

Have a Blessed Week! Love and Prayers to You All!!!

PRAYER: Heavenly Father, I ask that you help me to Rejoice. I rejoice that you created me and Love me. I rejoice in the ups and downs of my life. I rejoice in my Savior, Jesus Christ. I rejoice in my Salvation. I ask these things in the name of the Risen Christ Jesus! AMEN!!!
