

## **A Great Day in the Kingdom – 10/25/24**

Have you ever heard the term “Unspoken Hero”? The Church family is full of people who fit that description perfectly! These precious folks perform various thankless tasks and volunteer for mundane and boring outreach ministries. They are the Saints that have gone before us, live with us, and will be here long after we are gone.

If you have ever helped, volunteered, served in the Church, you are among those Saints. Our buildings, our worship, our programming, our outreach, and our mission all flow from the dynamic of great support from various people.

**Romans 12:1, Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God...**

Aledo UMC is doing more, with more who are doing more, than any other time in the history of this Church! For those who have yet to volunteer, let me ask you this: Have you attended worship? Yes? You have volunteered, then! Now, take it a step further. Be a greeter, usher, information desk attendee, volunteer, and Vacation Bible School helper. Provide a meal on Wednesday night for our Youth, Children, and Adults.

Opportunities abound at Aledo Methodist! We are a plug in and play Church family. We need to be grateful to all of those folks who volunteered in the past, currently volunteer, and pray for our future volunteers. We are called to serve as a “living sacrifice”!

Have a Blessed Week!!! Church!!!

Love to You All!!!

Pastor Joel
