

## **A Great Day in the Kingdom – April 8, 2022**

Have you ever considered the nature of day and night? God created the ultimate design with our lunar environment. All of us have heard the phrase, "It has been a day." Yes, as the light touches the Earth and departs, the saying is true. What about the phrase, "It has been a day!"? Say each phrase, as the punctuation dictates.

Each day of our lives affords us a new beginning. Even as each day passes, we are one day closer to being with Jesus. In the meantime, God calls us to examine how we are being good stewards with our days. Remember, each day is new. Yesterday is old and the new has come. 2 Corinthians 5:17, speaks to our experience with Christ each and every day.

**"Therefore, if anyone is in Christ, the new creation has come; the old has gone, and the new is here!"**

Our Easter celebration is soon to arrive. Let's remember to honor God with our daily attitude. The new has come and the old is gone. Praise The Lord!

*PRAYER: Heavenly Father, we ask for the power of the Holy Spirit to guide our attitudes. Thank You for each day. Help us to appreciate new beginnings. Give us thankful hearts. Help us to remember your Love for us, represented in your gift of new starts, new opportunities and Your unconditional Love. We ask these things in the name of the Risen Christ Jesus. AMEN!*
