

A Great Day in the Kingdom – July 15, 2022

Many of you have listened to me speak about the value of Public Prayer in today's world. There is a curriculum I teach that I wish to share with you all. The Agency of Public Prayer is a course all of us need to attend. The case that some of us will never pray for anyone in a public place is a theological predestination. As Wesleyans, we know God can place us in certain situations out of our comfort zones.

The date will be October 2, in the Children's Activity Room (Old Chapel). Please consider attending the session. For Sunday Schools, the teacher gets a Sunday respite.

1 Timothy 2:1, I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all people

We are called to pray for all of God's people. There are times when praying with God's people could be required from God to any of us. Throughout my ministry, God has placed those in front of me, who need prayer. Through the years, the number has reach epic proportions. Evidence of this was last Ash Wednesday. People from all walks stopped and asked for Prayer. The world is hurting and is in need of prayer. It is a Kingdom imperative that we are responsible and ready, in case the opportunity ever arises. We can talk scripture, or we can live out the Holy Scripture. Once again, our job, in the name of Jesus is to be ready and willing to hear God's call.

PRAYER: Heavenly Father, prepare our hearts, as we seek your will and your way. May we offer the hands and feet of Christ to your world. Help us to step outside of the box. Lead us into new ministries in order to build Your Kingdom. In the name of the Risen Christ Jesus, we pray. AMEN!!!
