

We will come together as a family of faith at 10 a.m. Sunday, June 4, to receive and ask God's blessings upon a new journey for Aledo UMC.

For the past eight months, we have moved together through a series of holy conversations as part of *As For Me & My House* visioning process, seeking to discern where God is calling us as a community of faith. We were led by a 10-member Core Leadership Team, which spent hours listening to the voices of the congregation and seeking to hear God's voice among them. Based on those conversations, the Leadership Team presented its final report and recommendations to the Church Council earlier this month, and Church Council unanimously approved them.

You can access the full report [here](#).

Now it's time to get to work to make this vision a reality. The first step in that work will be to come together, receive the *As For Me & My House* report and recommendations, and then together ask God to bless our journey. The success of this journey depends on the support and commitment of every single person who calls Aledo UMC home. So please make every effort to be part of this important moment in the life of our church.
