

A Great Day in the Kingdom – 11/11/22

Have you ever heard the phrase, "Be careful what you wish for"? There are many seasons in this life that provide us a much wiser perspective, as we live through them. Can you think of an ideal situation or experience that you originally considered to be the ultimate blessing and later thanking God that it did not occur?

Years ago there was a vehicle that was cheap, cool and fun. It was called a Suzuki Side Kick. I wanted one, because I lived near the beach in North Carolina. The ads showed this vehicle on the beach. Everyone in the ads had a smile on their face. The top was open, the sun was out and the sand was white as snow. I needed this vehicle!

Then one night, 20/20 did an expose on the dangers and deaths from rollover crashes and lack of safety considerations for the sake of keeping costs low in production. I listened and observed testimony after testimony. Immediately, I was grateful this wish had not become a reality.

Psalm 37:4, Delight yourself in the Lord, and He will give you the desires of your heart.

Confession time, as I had not prayed for God's will. I wanted what I wanted. My desire had not been lifted to God. What if all of our desires came from God? How much pain and heartache could we avoid in this perishable body. We must remember that when we put on imperishability, the desires of our heart are given from Almighty God. In the meantime, we petition in Prayer.

PRAYER: Heavenly Father, help me to seek your desires in my life. Help me to seek Your will and Your Way. Lead me into Your Truth. In the name of the Risen Christ Jesus, I Pray. AMEN!!!
