

## **A Great Day in the Kingdom – August 20, 2021**

One of the most preached and taught of the various books in the Bible is Acts. Acts is a continuous narrative that reminds the reader of God's abiding Love for us, through Christ our Savior. The occurrences in Acts are supernatural, uncomfortable, yet comforting to those who explore the pages.

In Acts 13:1-4, Paul and Barnabas are called by God to travel to unfamiliar territory and share the message of Jesus Christ to those who may or may not be amenable to hearing it. They did not have new inspiration for encouragement. They simply stepped off in faith. Our journey in many ways, through following The Great Commission is not much different in these modern times. Just like Paul and Barnabas, we can witness to this world without the knowledge of outcome.

There is no need to worry about the outcome or result of our witness or invitation. God takes care of that result. We are simply called to: invite, encourage, include and inspire those around us to realize Jesus Loves them, unconditionally. Our journeys may differ in some aspects from those of Paul and Barnabas, yet the same God is with us.

Please, pray this week for God to show you His purpose for you in witnessing to those in unfamiliar territory.

*PRAYER: Heavenly Father, lead us into your will and your works. You own the outcome, as we are assigned the task. Use us for your purpose. In Jesus name, AMEN!*
