

## **NOTICE**

### **NABWIC/FPC Federal Contracting Consortium**

Executive Order 13985, officially titled Advancing Racial Equity and Support for Underserved Communities Through the Federal Government, is the first executive order signed by U.S. President Joe Biden on January 20, 2021. It directs the federal government to revise agency policies to account for racial inequities in their implementation.

In response, NABWIC in our resource partnership with the MBDA/Federal Procurement Center, is assembling groups of member businesses with similar NAICS codes, who can perform for a variety of federal agencies.

If your company registered in SAM.gov and you are interested in providing services to the federal government, please contact each of the following consortium leads and provide your capability statement. We will make sure that your talent presented before the agency buyers to help them meet their plan goals toward E.O. 13985.

Consortium activities will be held each Friday at 2pm EST on NABWIC Leadership Zoom 820 830 146

Call Valerie Mundy at 407-576-2642 if you have any questions.
