

Optional Retreat Class Offerings

Escape to Create: Spring 2019

Please keep in mind that at the retreat it is hard to have a set structured time for each class because in most cases everyone is sharing stamp sets and materials. I will provide a class schedule upon your arrival, based on who is participating in the optional classes and their overlap in projects will layout the timeline for classes from Friday-Sunday. If you are taking classes, please be sure to mark on your registration your arrival and departure time, so I may plan for you.

100% Money Back Guarantee If you are not happy with your choices of classes and how the projects are made when you see them in person, I will be happy to return your money. Also, I cannot control out of stock inventory with Stampin' Up! . If you have paid for a class that is no longer available or won't make it in time for Retreat, I will refund your money in full.

The following offering of options will not have photographed pictures until **Friday, February 1**, allowing me time to create a variety of projects using the most recent release of product from the Occasions and Sale-A-bration brochures. On the retreat registration, you will have an option to check your interest but will sign up for these class options on February 1.
