Dear Kaya,

On behalf of Transition Projects, our staff and our clients, thank you for your generous donations of \$234 on 12/9/2019 and various in-kind items on 12/3/2019.

The increase of people experiencing homelessness and its expansion throughout the Portland Metro area has impacted us all. On a single night in Multnomah County, nearly 4,015 people will experience homelessness, with half of them sleeping on the streets. Meanwhile, our shortage of affordable housing is at an all-time high with the Metro area currently short 25,000 units. These numbers are daunting – and make your generosity all the more timely.

Your contribution supports:

- our **Resource Center** - a one-of-a-kind facility helping over 400 people a day, 365 days a year, access essential services;
- our **Shelter Programs** - providing a safe place to sleep for more than 800 women, men, and couples each night; and
- our **Housing & Retention Teams** - connecting over 1,000 people a year to permanent housing and the support they need to be successful in that housing.

Community members like you have shown that Portland strives to be a community that cares. With your generosity, we can continue our work assisting more than 10,000 people each year in the Metro area as they seek to end their homelessness and rebuild stability in their lives. Please don't hesitate to be in touch if you'd like to learn more about what we do or how you can get further engaged.

With best wishes,
