

## **6th Grade Lesson Plans**

### **January 15 - January 19, 2018**

English: We'll continue to read, discuss, and write about *Walk Two Moons*, and the students will wrap up their personal essays. There will be a vocabulary quiz on Thursday.

Ancient History: We'll continue our look at ancient Egypt this week.

Physical Science: They will continue their study of kinetics this week building more contraptions as they continue to investigate work, power, and simple machines.

Math: We will review what we know about ratios and then we will begin looking at rate and how to find the unit rate.

Latin: We'll review the story of the Trojan War with a quiz Monday.

Spanish A: We only meet once this week, and we'll be having a quiz on numbers #11-100. Students will also be introduced to the irregular verb "tener," to have.

Art: No art because of our in-service.

Music: As we enter the Classical Era in our journey through music history, we will explore theme and variations form and experiment with creating our own variations on melodies.

PE: They will continue the snowplay unit. If the weather won't let us be outside, we will play dodgeball inside.
