Event Description

On Thursday, October 13th, 2022, I will be participating in the Race Back to School at Kingdom Trails! This fun-filled challenge held on the KT network encourages walkers, runners, and bikers of all ages and ability levels! Points are awarded for each mile traveled while running, walking, or biking and through different fun stations, with a range from physical fitness challenges to brain teasers.

I hope you can help by sponsoring me! Sponsor money goes back to my school I represent!
