

3RD
ANNUAL

2019

ELEVATE YOURSELF!

This one-of-a-kind annual fundraising event is a partnership between the Niagara Escarpment Resource Network and the Fox Valley Technical College's Culinary Arts Program to celebrate Northeast Wisconsin's unique geology and its agricultural bounty.

Come enjoy the pre-event gathering complete with student prepared hors de oeuvres and a cash bar (beer & wine) while you learn about the Niagara Escarpment and mingle with other "conservation-minded foodies".

Hosted by area news celebrities Millaine Wells and Lisa Malak from WFRV Channel 5, the main event features local award-winning wines (crafted by Trout Springs Winery) paired with an exquisite four-course 'farm-to-table' meal using fresh ingredients from our generous sponsors. See firsthand, competition style, the student chefs' transformation of the local agricultural products within the confines of the Midwest's only Kitchen Stadium!

SEATING LIMITED TO 100 PERSONS!

\$50.00 PER PERSON.

**PRE-REGISTRATION AND PAYMENT
REQUIRED BY OCTOBER 25th, 2019!**

View menu, register and pay on-line at:
