Email:		Phone	

Exhibiting rules: All works must be original, family friendly, and conceived and executed solely by the artisan. For example, we do not accept works done with commercial molds or kits. Works may be functional or strictly decorative, e.g., pottery, jewelry, glass, wood, metal, sculpture, clothing, other textiles, household items, garden items, furniture, etc.

Number of items: You may exhibit up to twelve pieces (or sets) as room allows. Please complete the inventory section on page 2. Include an inventory number for each piece with your initials and number beginning with 01: (e.g., *Jane A. Smith* = *JAS-01*, *JAS-02*, etc.). Also, please include the inventory number and price on each of your items.

Sales, pricing, and insurance: Price your work/s at actual current market values. WCAC retains 40% commission on all sales with 60% paid to artisans. We will settle with artisans for works sold within two weeks of the show's closure. We will take every precaution to safeguard your works, but you should also provide your own insurance coverage. If a claim under our insurance becomes necessary, it will only cover 60% of the actual current market value/s of your work/s.

Replacing articles that have sold: Artisans may replace works as they sell, but please add all replacement piece/s to your inventory form.

End of the show instructions: Please remove all works from the center at the end of the show - upon removal, please sign and date your inventory form. Please pick up your work/s on Friday, August 5, 3:00-4:45 pm or Saturday, August 6, 10:00-Noon. **Note:** We will email artisan/s who have not picked up their works within 60 days after the show closes – we will use the email you included on this form. If we do not receive a response from you by December 22, your work/s will become WCAC's property.
