*As you've probably noticed, for the first time in years, we've increased the price of the monthly skincare specials to cover part of our increased expenses. We strive to bring you only the best treatments featuring the most effective products administered by highly skilled aestheticians. This is the first time in over 13 years that we've increased our prices even though our service menu has expanded and we use the most effective & highest quality products for our treatments. We hope that you appreciate the value you receive with the quality of services that we provide. Thank you for your loyalty!*

*\* If you buy a 12 month package of Skincare Specials after January, you can carry over your remaining treatments into 2020.*

**Specials are not valid with any other promotions or discounts and must be completed within the month listed. Treatments are non-transferable and there are no rain checks. Substitutions may be**

made for products not in stock at time of treatment.
