

Tackle spills with ease and efficiency. E-Z Sorb is a super-absorbent polymer that makes spill cleanup a breeze for pest control, landscape, or industrial operations. Simply sprinkle E-Z Sorb flakes as instructed - starting from the outer edges and working your way towards the center. Watch as the spill transforms into a gel, making cleanup a cinch with a shovel or broom and dustpan. Remember, for toxic spills, always adhere to EPA and DNR guidelines for safe disposal. Not recommended for oil-based spills. With E-Z Sorb conveniently packaged in user-friendly containers, you'll be spill-compliant in no time.

8 oz EZ12812808 - 12 per case – 1 container can absorb up to an 11-gallon spill.

2.5 lb EZ42542525 - 4 per case – 1 container can absorb up to a 55-gallon spill.
