

MyTexasCSR.com 2.0

Welcome to MyTexasCSR.com

MyTexasCSR.com is a first of its kind website that is dedicated to connecting legal professionals with court reporters.

MyTexasCSR.com is powered by the Texas Court Reporters Association and Texas Deposition Reporters Association in an effort to provide a valuable resource for connecting court professionals.

Attorneys, Judges and their administrators and assistants use MyTexasCSR.com to notify Texas court reporters of their need for a CSR for court proceedings, hearings, depositions, conferences, meetings or other events that require verbatim reporting and transcribing.
