

Pacer Family Advisory Board

Mission

Pacer Family Advisory Board (PFAB) members will provide USC Aiken administration with insight and recommendations from a parent/family perspective. Members will promote the Parent and Family Relations office by suggesting ways this office can assist all Pacer families. Members will strive to foster a sense of Pacer pride and support university goals to meet the educational and developmental needs of students.

PFAB will fulfill this mission by:

- Completing an application to be reviewed by USC Aiken administration
- Fulfilling a minimum two year term; optional second term is negotiable
- Providing a forum to improve the Pacer parent and family experience
- Suggesting and writing articles for monthly e-newsletters
- Volunteering at select university events
- Participating in videos and other media promotions

Commitment

- Terms begin in January of each year
- Attend bi-annual meetings: one in the fall during Family Day weekend and one in the spring around Homecoming
- Maintain a positive attitude and provide constructive ways to improve the parent/family experience
- Participation in promotional videos and other media
- Volunteer at select events when schedules permit
