You can contact our Emergency Line by calling:

803-648-4011

(Save this number to your contacts for easy reference.)

We notify students, faculty, and staff through various means to include loudspeakers, campus computer alerts, emails, robo calls, and text messages in an emergency. If you would like to receive emergency text messages go to www.getrave.com on a computer and **REGISTER**. You will need to enter **USCA** when asked for a **SITE NAME**. You will then need to enter basic information to include your name and mobile phone number.

This system is used primarily for emergencies but is tested from time to time and may include non-emergency messages.
