A DAY TO INVOLVE OUR YOUTH WITH CIVIC AND VOLUNTEER SERVICES

Maine Immigrant & Refugee Services (MEIRS) will be hosting its 6th annual MLK DAY at its Lewiston office locations, a day where both adults and children participate at activities offered by MEIRS.

Ten years ago, Maine Immigrant & Refugee Services was formed as a voluntary organization that provided vital programs and services to youth and their families. MEIRS has also partnered with both national and local organizations on educating parents and youth about juvenile justice, bullying and for the last 5 years, MEIRS has partnered with Gould Academy to enlist enough volunteers to work with the children and parents for variety of programs and activities.
