

Learner Notification

**The Society of Clinical Research Associates (SOCRA)
2025 Annual Conference (#25001)
September 26-28, 2025
Live In Person Activity**

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

SOCRA CE, CNE, CME

SOCRA designates this educational activity for Continuing Education Credits for SOCRA CE, Nurse CNE and AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Annual Conference offers 14.25 credits live (maximum). Preconference Workshops offer an additional 4 credits live only (maximum)*.

Accreditation Statement

The Society of Clinical Research Associates is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Society of Clinical Research Associates is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Physicians (ACCME) Credit Designation

The Society of Clinical Research Associates designates this live activity for a maximum of 12.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses (ANCC) Credit Designation Statement

The Society of Clinical Research Associates is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Successful completion of this program qualifies for up to 14.25 ANCC contact hours for nurses.

Objectives - After Attending This Program You Should Be Able To

- Discuss logistics of decentralized clinical trials
- Discuss key efficiencies to be audit ready
- To make researchers for Europe and the USA aware of the regulatory landscape and requirements when conducting clinical trials.
- Discuss Canadian Initiatives to support ICH E6(R3) objectives of Quality and Proportionality, Innovation, and Novel Trial Design
- Discuss in-vitro diagnostic clinical performance studies
- Discuss coverage analysis related to billing and budgeting
- Discuss the Quality by Design approach for enhancing quality and efficiency
- Discuss how previous research impacts current enrollment, retention and protocol development

- Discuss tasks required for complex clinical studies to ensure inspection readiness.
- Discuss the importance of source data verification with the team
- Discuss EDC validation to ensure a clean data set with the most automated efficiencies and data mapping
- Discuss ClinicalTrials.gov requirements
- Discuss the ISF RM, the reasons for the development of the ISF Reference Model (ISF RM) and the potential impact
- Discuss the importance of participant engagement, representation, trust, and respect, to the overall quality and ethical soundness of clinical research
- Discuss the key strategies for building trust and effective communication in inter-organizational relationships
- Discuss strategies to prioritize the elements of inclusion that are most relevant to supporting meaningful representation in individual clinical research studies
- Discuss pathways to leadership roles for aspiring and current leaders
