In honor of **National Poetry Month**, the Book & Leaf Bookstore in the heart of Brandon, will offer a night with the **Otter Creek Poets**, Vermont's longest running continuous poetry workshop, founded by **David Weinstock** in 1996. Expect a burst of terrific short (or long) poems that will challenge and delight you. All Writers are encouraged to share a brief poem at the Open Mic. Come and enjoy this celebration of poetry, book signings, conversation, and of course, complimentary tea, coffee and sweets!
