ANNOUNCING THE 1ST ANNUAL Great Vermont Cornhole Championship! JULY 20, 2019

May 1, 2019

Greetings Community Supporter!

The summer of 2019 will surely mark an epic debut of the ultimate cornhole championship, located in Brandon, the cornhole capital of Vermont. As Brandon continues to get better, the community is ever seeking opportunities to provide a diversity of events throughout the seasons in our community.

This fun-filled event will take place behind the Historic Brandon Inn, rain or shine! Beginning at 8 AM, it includes an entire day of competitive bracketed tournament cornhole gamesmanship. In addition, the day will feature a diversity of local food truck offerings from tacos to smoked BBQ to old-fashioned burgers and dogs. There will also be a variety of Vermont craft beers and rockin' music by DJ Bill Moore throughout the entire day. There will be opportunities for players, and spectators, to purchase raffles tickets that will be drawn every 30 minutes. Some prizes to include items such as local craft beers, gift certificates, T-shirts and a set of cornhole boards with bags. There will also be a 50/50 raffle drawn right before the championship.

The nationwide cornhole obsession poises this event to become a destination event for years to come in Brandon; and the perfect chance to lock your business in as a high-level, long-term sponsor. We are offering several sponsorship levels, however, there are only a limited number of Platinum (4) and Gold (6) sponsorship opportunities available.

Please review the attached sponsorship sign-up form for more details—and sign-up today! I look forward to answering questions or providing any other information you may need.

Sincerely,
Devon D. Fuller
