

## **Proposed Work Schedule, Week of June 19th – Brandon NH 019-3 (496) Segment 6**

**PROJECT LOCATION:** Segment 6 project limits start south on Route 7 at the Fire Station and ends just north of the Shell Station on Route 7, the project also includes work on portions of Park St, Conant Sq, Rossiter, Carver, and Grove St.

**PROJECT DESCRIPTION:** The project consists of roadway widening, sidewalks and curbs, pavement markings, traffic signs, signal, water main, sanitary sewer, aerial, & underground utilities and stormwater improvements for the Brandon Village portion of US Route 7 to include a portion of Franklin Street, a portion of Park Street, Center Street, Conant Square, a portion of Carver St, a portion of Rossiter St, and a portion of Grove Street. Preconstruction activities including tree removal, exploratory excavation, temporary construction signage installation, and overhead utility relocation will be occurring over the next six weeks.

**PROJECT DURATION:** This project will be on going now through November 2019, with work divided in six segments (A thru F). This years work will be occurring on Segment B, which is Brandon Green Area, on Route 7 from Lake Sunapee Bank to the Brandon Public Library and portion of Carver St, Park, and Rossiter St.

### **Upcoming work in the next three weeks:**

**CONSTRUCTION SIGNAGE:** Portable Changeable Message Boards will be installed at the end of week of June 19th. Temporary Orange Construction Signs will be installed in the beginning of July.

**TREES:** Tree removal throughout the project length will commence on July 10th.

**TRAFFIC DELAYS:** No traffic delays are anticipated for the week of June 19th, with exception to one lane alternating traffic to facilitate the relocation of overhead utilities from the center of town south towards the Fire Station.
