# ACDelco TLC Fix

Click on the 3 dots at the upper right hand corner of Microsoft Edge.

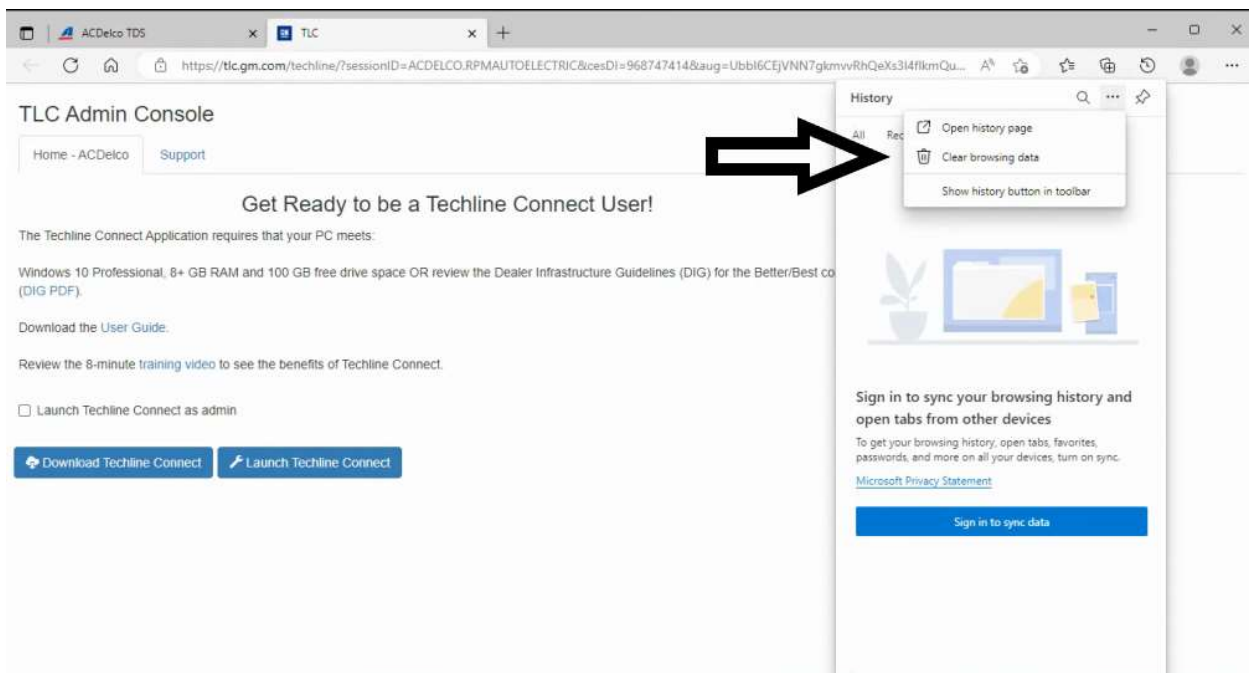

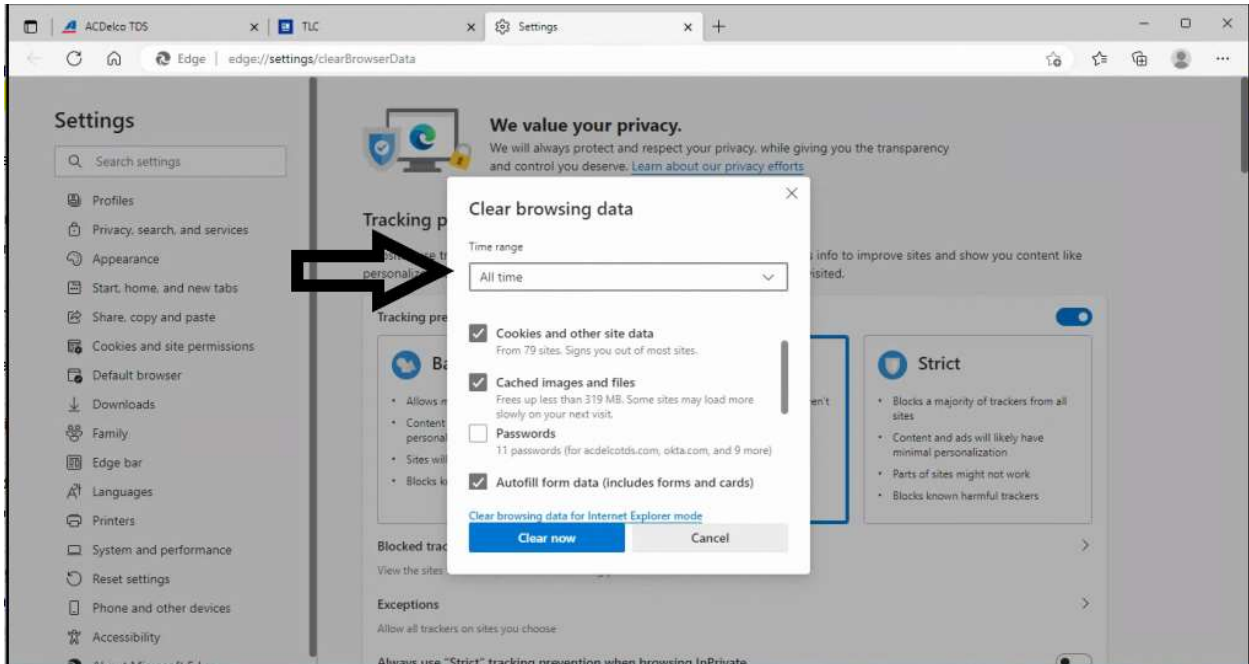

Select "History"

Click on the 3 dots on the History Tab.

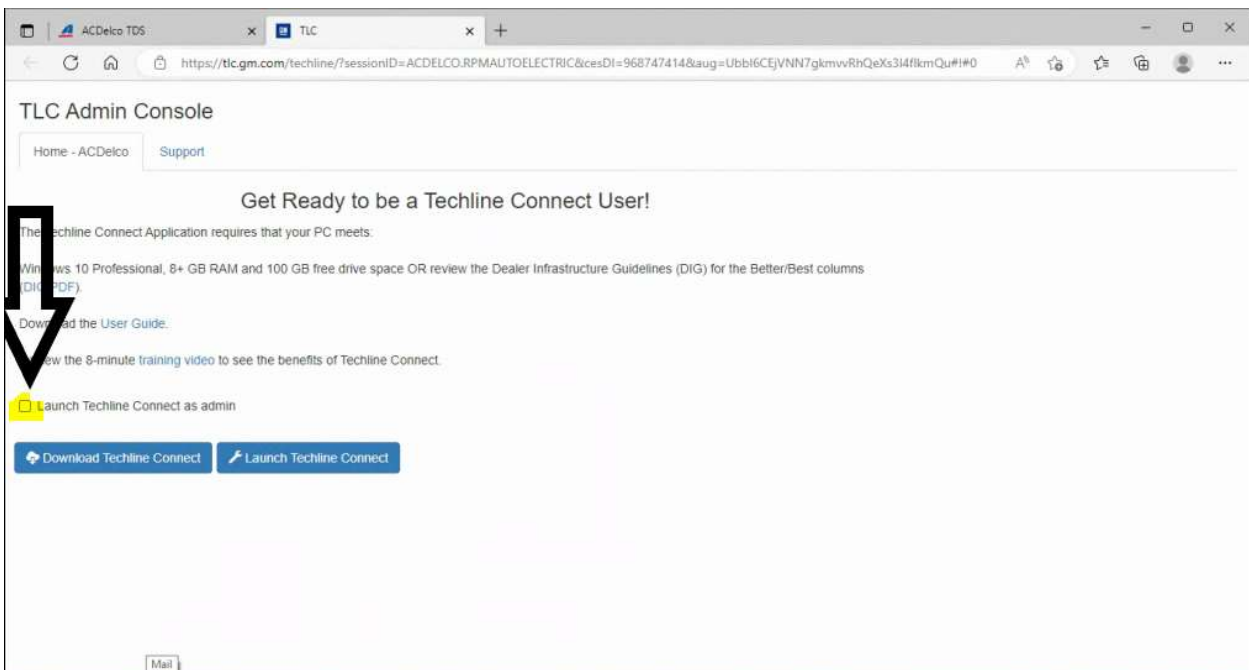

Select "Clear Browsing Data"

Select "All Time" from the drop down menu. Then "Clear Now"

Close out of Edge and Re-open the TLC website. MAKE SURE TO REMOVE THE CHECK MARK FROM "Launch Techline Connect as admin", then Launch Techline Connect. You must remove the check mark each time you want to use TLC.
