P.A.W.S. The People's Animal Welfare Society of Tinley Park is a no-kill animal shelter dedicated to the protection of domestic animals and the prevention of animal cruelty in the surrounding communities.

They provide shelter to abandoned, lost and relinquished pets. They provide humane education in animal care to the communities. They strive to prevent overpopulation by offering spay/neuter programs, rather than through the use of euthanasia. They are dedicated to finding safe and permanent new homes for our domestic animals, as well as helping the public choose the right companions for their families.

Donations can benefit animals in different ways. Please visit www.pawstinelypark.org
