Corpus Christi School provides an outstanding curriculum to over 340 students in PreK – 8th grade. Recognized as a National Blue Ribbon School in the Exemplary High Performing Category, Corpus Christi School has incorporated STEM initiatives with a focus on environmental sustainability. The newly opened Green House offers truly experiential learning. Recent graduates are continuing their education at some of the most competitive high schools and colleges in the country. We are grateful for your support of an incredible faith-based education that challenges the mind, encourages positive values, and inspires great achievement.
