

Notice of Asbestos Policy

Each school shall comply with state and federal requirements pertaining to asbestos in schools, including all inspections, reporting obligations, operation and maintenance procedures, and in the planning for and implementation of necessary repair, restoration or abatement of asbestos (Response Action) in the school. The asbestos management plan is available for public inspection. This is on file in the school office and is available for review by any parent, teacher, etc., during normal business hours of the school. Please make your request for reviewing this file to the principal.
