**ENGINEERING ENTERPRISES, INC.
IS PROUD TO ANNOUNCE
THE OPENING OF ITS NEW BRANCH OFFICE IN ROCKFORD**

Engineering Enterprises, Inc. (EEI) is delighted to announce the opening of its new branch office in the Waterside Center at 124 North Water Street, Suite 306 in the City of Rockford, Illinois. The Rockford Region has shown a commitment to improving its infrastructure to meet the demands of its residents and businesses within it. EEI has over 46 years of experience working with communities on infrastructure improvement projects. We look forward to partnering with communities to develop cost-effective infrastructure solutions in the area.

EEI's Rockford office will be led by Tim Holdeman. Tim brings over 30 years of consulting, water utility and public works management experience with him. As a former Rockford employee, he witnessed infrastructure investment in the region firsthand. Tim is especially excited to work in the downtown Rockford office and be part of the energy in the area.

About Engineering Enterprises, Inc.

Engineering Enterprises, Inc. (EEI), founded in 1974, is an award-winning consulting engineering firm providing services to public agencies and private entities throughout northern Illinois. Over 45 experienced firm members including licensed professional civil engineers, land surveyors, and support team members provide a full range of services for planning, design, and construction of infrastructure projects, funding assistance and municipal consulting. Our core values guide our staff on every project from initiation through completion keeping us committed to quality, service, and value for our clients. By offering outstanding service to every client every day we are able to assist with bettering the communities in which we serve. For additional information visit our website at www.eeiweb.com.
