**ENGINEERING ENTERPRISES, INC.  
ANNOUNCES THE ADDITION OF TWO STAFF MEMBERS ~  
JAKE H. SEGER, CFM AND MICHAEL G. CURTIS**

Engineering Enterprises, Inc. (EEI) is pleased to announce the addition of two new staff members to our firm.

Jake Seger, CFM, has joined our firm as a Project Engineer. He is a resident of Sugar Grove, Illinois and he is a graduate of Bradley University with a Bachelor of Science in Civil Engineering. Jake has extensive IDOT training and certifications that will add to the firm's construction engineering capabilities. In addition to these he is also a Certified Floodplain Manager from the Illinois Association for Floodplain and Stormwater Management Association of State Floodplain Managers.

Michael Curtis, has joined our firm as a Field Technician. He is a resident of Hinckley, Illinois and will be assisting with a wide variety of construction inspection projects. Michael brings a variety of construction experience to the firm.

Engineering Enterprises, Inc., founded in 1974, is an award-winning consulting engineering firm providing services to public agencies throughout northern Illinois. Over 40 experienced firm members including licensed professional civil engineers, land surveyors, and support team members provide a full range

***Engineering Enterprises, Inc.***

of services for planning, design, and construction of infrastructure projects, plus grant and funding assistance.
