**ENGINEERING ENTERPRISES, INC.'S
FREEMAN CHOSEN FOR ISAWWA WATER PROFESSIONAL OF THE YEAR AWARD**

Congratulations to Jeff Freeman, P.E., CFM, LEED AP, Chief Executive Officer, of Engineering Enterprises, Inc. (EEI) on being chosen for the Illinois Section of American Water Works Association (ISAWWA) Water Professional of the Year Award. This award is presented to a professional in the water industry (engineer, lab analyst, designer, representative, educator, etc.) that has demonstrated dedication and has motivated others to pursue a career in the water industry and is selected from nominations by Section Members.

Jeff started with EEI as a Project Engineer in 1997, was named Vice President in 2005 and most recently as the Chief Executive Officer of the firm. Jeff has been actively involved in ISAWWA since 2007 and he currently is the Chair for the organization.

After learning that he had been selected for the award, Jeff said, "It is an honor to be recognized with this award. It is a joy to work with all of the members of ISAWWA, who are on the front line for providing clean, safe drinking water within our state." The Illinois Section of the American Water Works Association is dedicated to providing comprehensive resources for the management and advocacy of safe and sustainable water. For more information on their organization please visit their website at www.isawwa.org.

About Engineering Enterprises, Inc.

Engineering Enterprises, Inc., founded in 1974, is an award-winning consulting engineering firm providing services to public agencies throughout northeastern Illinois. Our experienced diverse staff includes licensed engineers, licensed surveyors, technicians, and support staff that provide a full range of services for planning, design, and construction of infrastructure projects, plus grant and funding assistance.
