

*Engineering Enterprises, Inc.*

**FOR IMMEDIATE RELEASE**

January 2021

**Contact:**

Angie Smith (630) 466-6700

**ENGINEERING ENTERPRISES, INC.  
WELCOMES TWO NEW STAFF MEMBERS**

**Natasha P. Woodlock, E.I.** has joined the firm as a Project Engineer in the Environmental Group. She has recently relocated to St. Charles, Illinois with her family. She holds a Bachelor of Science in Engineering and Public Policy and Master of Science in Environmental Engineering from Washington University in St. Louis. Her previous experience on water and wastewater projects will be a benefit to her position.

**Ryan M. Sikes, P.E., PTOE** has joined our Transportation Group as a Senior Project Engineer II. He is a resident of Yorkville, Illinois. Ryan holds a Bachelor of Science in Civil Engineering from the University of Iowa. In addition, he has his Professional Traffic Operations Engineer (PTOE) certification. The PTOE certification demonstrates requisite knowledge, skill and ability in the traffic operations field. He brings over 8 years of experience in the transportation field and will apply that to related projects at EEI.

**About Engineering Enterprises, Inc.**

Engineering Enterprises, Inc. (EEI), founded in 1974, is an award-winning consulting engineering firm providing services to public agencies and private entities throughout northern Illinois. Over 45 experienced firm members including licensed professional civil engineers, land surveyors, and support team members provide a full range of services for planning, design, and construction of infrastructure projects, funding assistance and municipal consulting. Our core values guide our staff on every project from initiation through completion keeping us committed to quality, service, and value for our clients. By offering outstanding service to every client every day we are able to assist with bettering the communities in which we serve. For additional information visit our website at [www.eeiweb.com](http://www.eeiweb.com).
