

2026 Training Calendar

CHW Core Competency Training

The Community Health Worker Core Competency Training provides new and existing CHWs with foundational competencies, essential skills, knowledge, and field experience to effectively engage with diverse communities and address public health challenges.

Cohort	Dates (Live sessions every Thursday)	Time	Location
Winter	January 29- March 19	9:00am-11:00am	Virtual
Spring	April 2 - May 21	9:00am-11:00am	Virtual
Summer	June 18- Aug. 6	9:00am-11:00am	Virtual
Fall	Sept. 3- Oct. 22	9:00am-11:00am	Virtual

Standard Tuition: \$1,700 per participant. See detailed training information [brochure](#).

Group discounts are available for organizations enrolling multiple CHWs.

Limited financial support may be available for qualifying organizations/individuals; please email chwinfo@mcd.org.

Select Cohort and Apply: <https://chwcore.mcd.org/register.php>

CHW Supervision Training

The Community Health Worker supervision training focuses on equipping CHW supervisors and managers with the essential skills to effectively oversee and support the work of CHWs, enhancing their ability to address community health needs.

	Training Unit	Dates	Time	Location
Spring 2026	Foundational (Days 1 & 2)	March 25 & 26	8:30am-3:30pm	Virtual
Summer 2026	Advanced (Days 3 & 4)	Aug 27 & 28	8:30am-3:30pm	In-person

This is a fee-based training. Each unit has a registration fee of \$500. Participants may register for Days 1–2, Days 3–4, or both. View [detailed information and training agendas](#).

Register: [Advanced CHW Supervision Registration](#)

For more information on any CHW trainings, contact our MCD training team at CHWinfo@mcd.org.
