

What Private And Public Investigators Say

This Is Specialized Training That Can't Be Done By In-House Attorneys Or At Conferences

"Great program. Being aware of the hidden liabilities not discussed in other courses saves your public image, and big legal fees."

Cindy Reid, Attorney, Davidson, NC

The Best Insurance Is Giving Your Employees My Online Social Media Liability Course

"Just a quick note to tell you that your course was awesome. You have a great platform and video resources for your students.

I enjoy learning at my own pace."

John Temblador, Remnant Investigation, CPI, CPIA,
Social Media Chairman, Private Investigators Association Of Idaho

It's Not Enough To Be A Social Media Expert, You Have To Know How To Teach And Connect With Your Attendees

"Attorney Fiedelholtz is not only energetic and compassionate, but full of knowledge to protect the public service/safety sector from embarrassing claims and lawsuits."

- Ashley Aleshire, Inspections, Prince George County Fire and EMS, VA

**My Online Course Replaces Fear And Confusion
Over “Free Speech” Rights On Private Networks
With Confidence And Peace OF Mind**

"What an eye-opening course. Mark's new strategies save your job and keep you from being sued. All law enforcement need this type of expert social media law training."

Shaun D. Jones, Spotsylvania Sheriff's Office, VA

**The Course Switches The Focus From
Social Media Marketing To Social Media Liability**

"This course was different because it looked at social media from a legal standpoint, not just marketing."

Janet Geddings, FL

**Your Previous Training Doesn't Matter,
You Receive All New Information**

"I recently completed the online course from Social Media Attorney Mark Fiedelholz and felt that it was a great value for the price. The course was relevant to what I do on a daily basis. The new knowledge will help me become a better investigator. I would highly recommend this course to all investigators involved in social media investigations."

Jeremiah Jones, CEO, Bosco, Legal Services Inc. Licensed Investigator

Career Saving Course

"I have heard positive comments from the attendees. Many students in your class shook my hand and thanked me for bringing such a high quality course that pleased everyone."

My New "Red Flag" Warning System Give Employers And Employees Peace Of Mind Using Social Media

"Mark, your course was exceptional, it took fear away from our administration on what to post and what to delete. We feel more comfortable after taking this course and you were always available to answer questions. I suggest that all agencies take this online course."

Chief Dwayne Wheeler, Taylorville, IL

Most People Don't Understand Social Media Liability, They Think It's A "Free Speech" Zone To Vent

*"Across our nation, we have not pro-actively protected employees from the dangers of social media. Too many public employees have paid the price for not receiving the expert tools to navigate social media safely. After auditing Mark Fiedelholz's Social Media Liability Course with our fire chief, we decided to mandate this training to every member of our teams. If you want to protect your people and your department. **I strongly recommend this course.**"*

Tim Barfield, Chief of Police, Wellington, OH

You Can't Afford Not To Make My Online Course Mandatory Training

*“Your class opened my eyes to the liability that lies beneath the flashy facade. I had no idea of the possible legal ramifications of simply liking a post or other new social media liability issues.
I highly recommend this course.”*

Fire Engineer, Steven Ford Flower Mound Fire Department, TX
