

-  Heavy congestion anticipated on State Road (S.R.) 281/ Garcon Point Bridge
-  Moderate congestion anticipated on I-110 and U.S. 98
-  Light congestion anticipated on S.R. 87 and I-10

To improve traffic flow on the detour routes, FDOT has implemented the following improvements:

- 1** New temporary traffic signal and temporary traffic cameras installed at the I-10 off-ramp to S.R. 281.
- 2** Free-flow turn lane from southbound S.R. 281 to I-10 westbound.
- 3** Free-flow right turn lane for the I-10 eastbound off-ramp to S.R. 281 southbound.

Adjusted signal timing along detour route to accommodate better traffic flow.

Relocated Road Ranger services from the Pensacola Bay Bridge to the detour route.

Established free ECAT bus service (Route 20) between Pensacola and Gulf Breeze.
