

National Principals Month

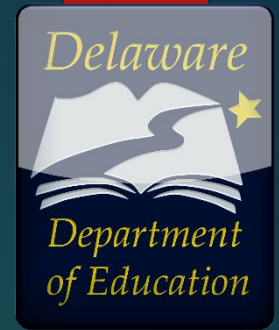

October 2018

I want to sing the praises of **Ms. Kerr at Phillip C. Showell Elementary** in the **Indian River School District**. She greets our son with love and enthusiasm every time we see her. I'm part of the PTO and her warm and energetic spirit lasts clear till 7pm!

National Principals Month

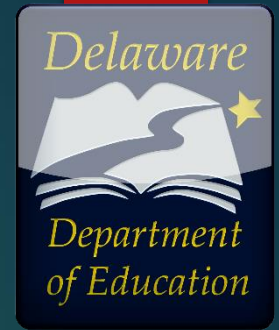

October 2018

Heather Cramer from North Georgetown Elementary School in the Indian River School District - Thanks for being so supportive and putting our students first!!

National Principals Month

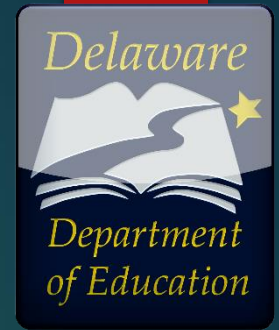

October 2018

Jessica Jackson from Millsboro Middle School in the Indian River School District has an open-door policy which makes it easy for teachers and students to chat with her and discuss how to make MMS the best it can be!

National Principals Month

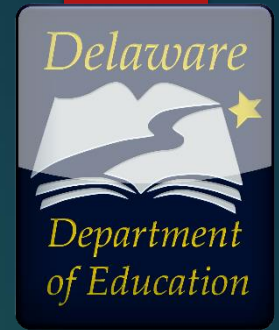

October 2018

Kris Perfetti at Howard T. Ennis School in the Indian River School District wants the best for every single one of our students!

National Principals Month

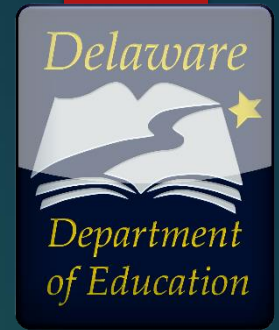

October 2018

Mr. Bower and team from **Southern Delaware School of the Arts** in the **Indian River School District** have such a positive and warm energy to staff, students and parents. They make learning an adventure every single day! We are so fortunate to have our leaders!

National Principals Month

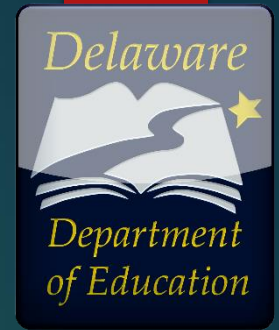

October 2018

Travis Bower and team from **Southern Delaware School of the Arts** in the **Indian River School District** - We are so fortunate to have them at our school. They believe in their staff and students and go above and beyond every single day!

National Principals Month

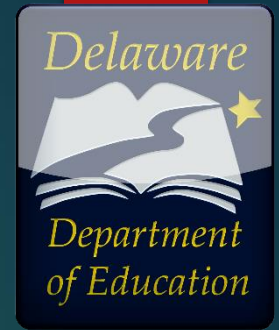

October 2018

David Hudson and team from **Georgetown Middle School** in the **Indian River School District** are outstanding leaders and always have the students' best interests in mind. They encourage the staff to educate, lead, and build long-lasting relationships with the student body as well as their families and the community. *GMS* is a family, built on a strong foundation, which begins with our administration.

National Principals Month

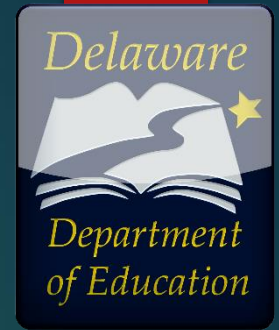

October 2018

Allisa Booth from **John M. Clayton Elementary** in the **Indian River School District** is amazing because she brings a youthful relevance to all areas of our school and has created a culture of family at our school!!

National Principals Month

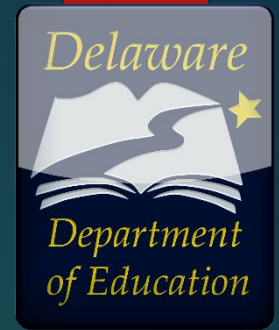

October 2018

Allisa Booth from **John M. Clayton Elementary** in the **Indian River School District** is very well organized, is trustworthy and is a person of her word! She is very prompt handling situations. She makes our school run smoothly and makes her teachers feel appreciated!

National Principals Month

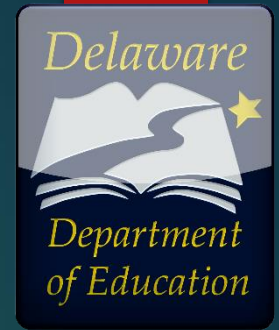

October 2018

Neil Stong from Georgetown Elementary School in the Indian River School District greets each day with a smile, a sense of humor, and nothing but what is best for our students on his mind! GE salutes you, Neil!

National Principals Month

October 2018

Pam Webb from Lord Baltimore Elementary School in the Indian River School District is a great leader and supporter of all learners!
