

National Principals Month

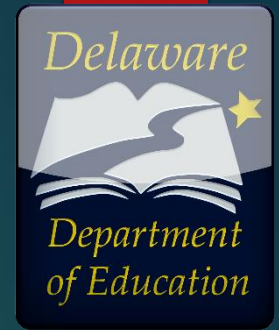

October 2018

Charles Sheppard from **William Henry Middle School** in the **Capital School District** is amazing because he believes in each of us teachers and supports us in being creative with how we run our classrooms in order to promote a safe and supportive environment for our students!

National Principals Month

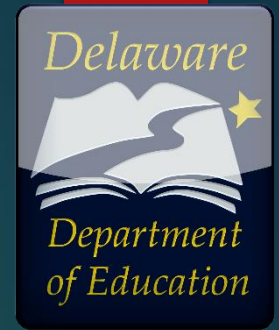

October 2018

Toriano Giddens from **Towne Point Elementary School** in the **Capital School District** has created a pleasant atmosphere at the school. The staff is unified and the students have shown remarkable change in attitude and work habits since Mr. Giddens arrived at Towne Point.

National Principals Month

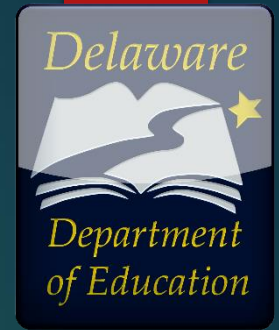

October 2018

James Mark from **Kent County Community School** in the **Capital School District** - Thanks for your leadership and making KCCS the best place to teach! You always do what is best for our students and ensure that we have the resources needed for them to reach their goals!

National Principals Month

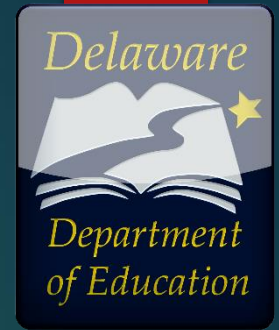

October 2018

Julie Giangiulio from the **Capital School District** is the best! She represents **East Dover Elementary School** well and makes it an amazing place to work!

National Principals Month

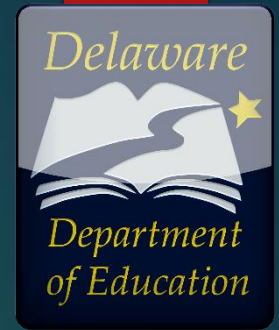

October 2018

**Jim Mark from Kent County
Community School in the Capital
School District treats his staff and
his students like family.**

National Principals Month

October 2018

Tammy Butler Augustus from Hartly Elementary School in the Capital School District helps our children smile each day.
