## Louis J. Coletti

President and CEO | BTEA New York

### A CITY & STATE CONSTRUCTION POWER 100 LEADER

On behalf of the Officers and entire membership of the Building Trades Employers' Association we congratulate our President on being named by City & State to be the leader we in the industry all know he is, has been and continues to be on our behalf.

His voice in advocating for BTEA contractors at all levels of city and state government in all policy matters relating to economic development, workforce development and infrastructure has benefited the BTEA and all New Yorkers.
