*Building Administrator*

*The Crossing is a diverse and caring community of students who find belonging, embrace exploration, advocate passionately for justice issues, and become who they are inspired to become.*

We are looking for passionate and engaged board members to support The Crossing, a ecumenical, progressive, Christian, non-profit organization on the UW-Madison campus.

The Crossing is an inclusive, diverse and multi-faith community of students who find belonging, embrace exploration, advocate passionately for justice issues, and become authentically themselves. We invite students to study, enjoy being together, collaborate on justice advocacy, take time for spiritual reflection, and regularly share meals together.

The Board of Directors approve, own, and champion the strategic vision, direction, and plan for The Crossing. Board members meet via Zoom at least six times per year to make decisions. In between meetings, we volunteer at student activities, work on projects to support the staff, raise funds and hold strategic planning events.

The Crossing is supported by the United Methodist Church, American Baptist Church and the United Church of Christ. To learn more about The Crossing and its Board of Directors, visit our website, or contact Jen Petricca Bloesch, Co-President of the Board of Directors, at jen.bloesch@gmail.com.

Our process for recruiting board members includes opportunities for you to do one or more of the following so that you feel comfortable with your decision:

- Meet with other Board members to discuss their experience and ask them questions
- Meet with the Executive Director, Mike Burch, & tour the building
- Attend a Board meeting to see how we function as a Board
