Dear Member or Friend of McFarland UCC,

We want to express our sincere appreciation for all you have done this year to assure that our church operates smoothly. McFarland United Church of Christ has been able to grow and expand activities related to our mission because of your ongoing support.

To assist us as we begin our budget planning for next year we are asking you to identify your commitment for 2023.

Except for a brief pause in February and March, our church building has been open for worship services and we anticipate that in 2023 we will continue providing all the outreach programs and services we have provided before COVID altered our lives for a while.

Your gifts of time and money bring to fruition what our Lord asks of us.

As you consider your support for our general operations, last year the Finance Committee recommended that individuals have an ongoing opportunity to contribute to the Building Fund that will provide "seed money" for future capital projects (e.g., the Buildings and Ground Committee has identified that the roof and furnaces will need to be replaced in the next 10-12 years). This opportunity to provide support continues in 2023. Thank you to those who contributed to this fund during 2022.

We hope that you can continue to support McFarland United Church of Christ over the next year.

To make a financial commitment for 2023, please reply to this email, send a separate email to the Financial Secretaries at [FinSec@mcfarlanducc.org](mailto:FinSec@mcfarlanducc.org), or complete the attached commitment form on page 2 and return by January 1, 2023.

Your continued support is needed to allow us to continue God's work in the Community. We thank you for your support.

In Christ,

Members of the MUCC Finance Committee
