

Four-Day Introduction to R-PAS: Rationale, Administration, Coding and Interpretation (24.5 APA CE credits)

June 10 to 13, 2019

9:00 to 5:45 pm — June 10, 11, 12

9:00 to 3:00 pm — June 13

This four-day workshop by Don Viglione, Ph.D., provides a comprehensive introduction to the foundations for Rorschach Performance Assessment System (R-PAS) and for its use in applied practice. R-PAS is ideal for two types of participants: a) those with no previous Rorschach training or experience, and b) those who are experienced clinicians and instructors who have training in previous Rorschach systems and want a thorough “hands-on” understanding of how to use R-PAS in applied practice or teach it to others. Many very experienced assessors have found this to be an extremely useful training experience, even though it is also ideal for beginners. The workshop alternates between lecture, presentations, and interactive experience with every aspect of R-PAS administration, coding, and interpretation. All participants will be asked to bring an R-PAS Manual to the workshop (*The Rorschach Performance Assessment System, Administration, Coding, Interpretation and Technical Manual*, by Meyer, Viglione, Mihura, Erard, & Erdberg, 2011). After registering for the workshop, participants will receive a 10% discount code so that they can order the Manual at www.r-pas.org. In addition, all participants will receive both one free protocol allocation for coding and processing a protocol on r-pas.org, and one free Case-Based Interpretive Guide, which may be attached to the protocol to facilitate clinical interpretation.

Learning Objectives:

As a result of this workshop, participants will be able to:

- Describe rationale and development of R-PAS
- Explain the basic foundations of R-PAS
- Describe the use of R-PAS in multimodal assessment
- Demonstrate basic administration procedures
- Demonstrate basic coding procedures
- List coding categories and abbreviations
- Resolve coding uncertainty (using case examples)
- Practice administration essentials
- Discuss keys to the Response Phase
- Discuss keys to the Clarification Phase
- Administer and review Clarification and Response Phases
- Describe advanced elements of the Clarification Phase (determinant convergence, response boundaries, etc.)
- Explain use of the R-PAS online scoring system (using interactive examples)
- Describe protocol-level calculations, norms, and the R-PAS results output
- Demonstrate protocol coding using the R-PAS website and generating the results output
- Discuss interpretive guide usage and benefits
- Describe general interpretation procedures
- Demonstrate interpretation skills via case interpretation, practice, and review
- Compare use of R-PAS in various settings (clinical, forensic, child and adolescent)
- Apply R-PAS results to development of treatment goals and interventions+

\$600 Early Bird Registration; \$700 Regular Registration

Don Viglione, Ph.D., ABAP; Distinguished Professor at the California School of Professional Psychology at Alliant International University and past director of both the Ph.D. and Psy.D. programs in clinical psychology. He has more than 30 years of experience teaching the Rorschach and has more than 80 publications. His assessment research focuses on the Rorschach and includes work on malingering, trauma, violence, child, and psychometric issues. He has offered Rorschach workshops internationally and is a Fellow of the Society for Personality Assessment.

Workshop will take place at
Los Angeles Child Guidance Clinic
3787 S. Vermont Ave,
Los Angeles, CA 90007

Free parking on site for registrants
Allow two business days for confirmation of registration. Registration form on reverse
There is no on-site registration.

Certificates

CE Certificates and General Certificates of Completion will be emailed to participants the week following the workshop.

Payment:

Please make checks payable to "Los Angeles Child Guidance Clinic." If check is not enclosed, please write "check to follow." Registering serves as a placeholder; seat is not guaranteed until payment is received. Ten percent administration fee will be charged for cancellations and check or credit card refunds, which must be submitted in writing at least one week prior to training. No refunds or transfer credits for cancellations made within one week of training.

TRAINING REQUIREMENTS:

Participants will be asked to read Chapters 1, 2, and 3 of the R-PAS Manual before attending.

This training meets the qualifications for 24.5 hours of continuing education for LMFTs, LPCCs, LCSWs, LEPs, and psychologists as required by the California Board of Behavioral Sciences and California Board of Psychology. Los Angeles Child Guidance Clinic is approved by the American Psychological Association to sponsor continuing education for psychologists. Los Angeles Child Guidance Clinic as the sponsor maintains responsibility for this program and its content. Please call Dr. Melissa King in the Total Quality Management Department at Los Angeles Child Guidance Clinic at 323-290-8360, x4307 if you have any questions or need special assistance regarding the training.
