**JULY 26, 2019 | 8:00AM-4:30PM | CALIFORNIA ENDOWMENT  
1000 ALAMEDA STREET, LOS ANGELES, CA 90012**

## **FEATURING:**

**"BREATH, EYES, MEMORY: HEALING-CENTERED  
APPROACHES FOR OPTIMIZING EMOTIONAL WELL-  
BEING AMONG BOYS & YOUNG MEN OF COLOR"**

**Wisdom Powell, PhD, MPH, of UConn Health, former White  
House Fellow on Mental Health appointed by President Obama**

Wisdom Powell, PhD, MPH, a clinical psychologist who is leading groundbreaking health disparities research, is Director of the Health Disparities Institute and Associate Professor of Psychiatry at University of Connecticut. Her research focuses on the role of social determinants such as race and masculinity on health inequity. Dr. Powell was appointed by former President Obama to serve as a White House Fellow providing subject matter expertise on mental health. In addition, she is a Fellow of American Psychological Association (APA) Minority, Robert Wood Johnson Foundation, Kaiser Permanente Burch Leadership, Institute of African American Research, and Ford Foundation. Dr. Powell chairs a number of local and federal policy initiatives aimed at improving the health and wellbeing of boys and men of color. Most recently, she was selected as a Health Innovator Fellow by the Aspen Institute and voted to serve as the 2019 President-Elect of the Division for the Psychological Study of Men & Masculinities at the APA. She received her PhD and MS in Clinical Psychology and MPH from the University of Michigan-Ann Arbor.

**"THE LATINO DOUBLE-IMPOSTOR SYNDROME:  
YOUTH, VOICE, IDENTITY AND LEADERSHIP"**

**David Hayes-Bautista, PhD, Director of Center for the Study of  
Latino Health and Culture, University of California, Los Angeles**

David E. Hayes-Bautista, PhD, is Distinguished Professor of Medicine and Director of the Center for the Study of Latino Health and Culture at the David Geffen School of Medicine at UCLA. He is also the Faculty Director for the Latino Leadership Executive Institute for the UCLA Anderson Graduate School of Management. He researches the dynamics of Latino families and communities in the US, with a focus on adolescent health and identity. In addition to numerous peer-reviewed articles in journals ranging from Academic Medicine to Salud Pública de México, his most recent books include El Cinco de Mayo: An American Tradition(2012) and La Nueva California: Latinos from Pioneers to Post-Millennials (2017).
