

Dear Pastor/Musical Director,

January 2023 marks the Boar's Head & Yule Log Festival's 40<sup>th</sup> Anniversary! For decades, *families and congregations in our community and beyond*, have united in praise and fellowship to celebrate the Epiphany of our Lord's birth. This uplifting musical celebration depicts 2 stories: the journey the wise men took to greet our newborn Savior, and the medieval celebration of the slaying of the wild boar, symbolizing the Christ Child's triumph over sin.
