

Parking

NEW AHS Parking App

AHS has launched a free parking [app](#) at sites across the province which will make paying for parking easier for all our visitors, patients and public.

In the app, visitors and patients can pay for parking on their mobile device, receive alerts when their parking time is about to expire and extend their time, even stopping their parking time if an appointment ends earlier than expected.

Learn more [here](#).

East Public Parkade (zone 6486)

- Located on 84th avenue between 112 & 114 street
- Pedway access into the Mazankowski Heart Institute on Parkade level 4
