

# Stollery Awasisak Indigenous Health Program

## Who we are:

A culturally responsive initiative to better serve the Indigenous families and their children at the Stollery Children's Hospital.

Our goal is to build bridges between Indigenous families and children and their needed support and services.

## What we offer:

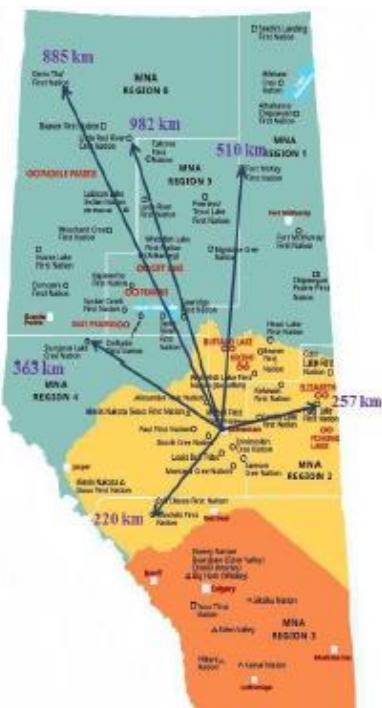

### Family support

- Check in daily with Indigenous patients and families
- Provide Indigenous families with information and access to resources
- Engage patients and families in the discharge planning process
- Connect families with cultural events, such as smudging
- Offer Cultural Broker and Cree Interpreter services.

### Staff support

- Support staff to deliver culturally responsive practices

## Serving Indigenous Families across Alberta

## Seven Sacred Teachings

### **AHS Core Values:**

**compassion:** We show kindness and empathy for all in our care, and for each other.

**accountability:** We are honest, principled and transparent.

**respect:** We treat others with respect and dignity.

**excellence:** We strive to be our best and give our best.

**safety:** We place safety and quality improvement at the centre of all our decisions.
