

## Masks

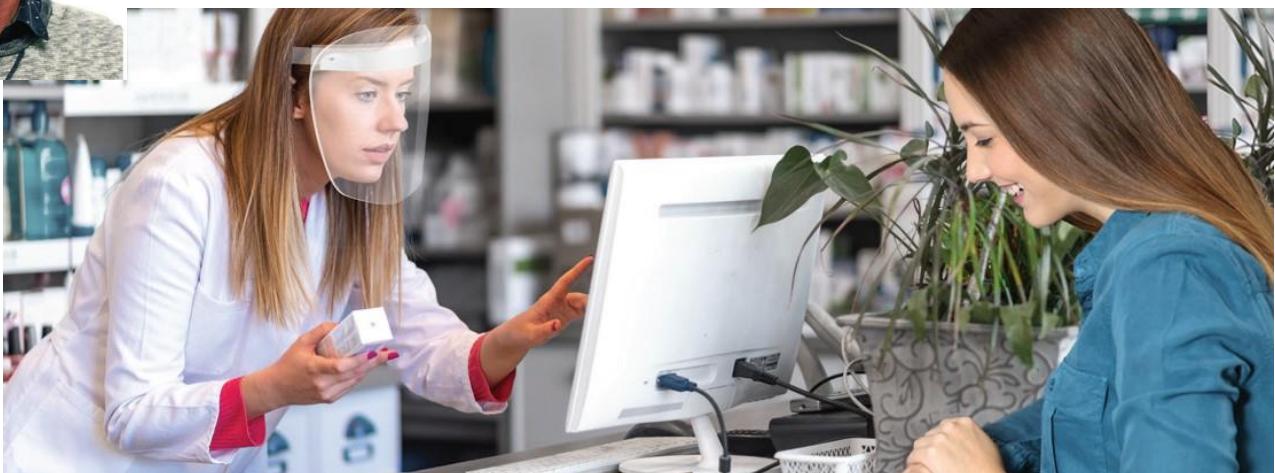

## Sanitizer & Disinfectants

## Face Shields

Protect employees from COVID-19 and other virus exposures with their own personal sneeze guard. Face shield provides single use protection to be used in stores, pharmacies and all other businesses.

## Thermometer

### Features:

- Fast Testing Measures in 1 Second
- Precise Infraed Reading
- Non-Touch Forehead Measurements
- High Fever Alarm
- User Selectable °F or °C
- Easy to Read LCD Display
- 20 Group Memory Auto-Save
- Smart Calibration

## Counter Shields

Protect employees and customers from COVID-19 and any other virus exposures by providing a barrier for those who work with the public or near others. Countertop safety barriers provide physical separation to help maintain social distancing and offer a durable clear view and flexible design for a variety of uses.

## AS OUR WORLD CHANGES, SO WILL OUR OFFICES

Space division is a nonnegotiable.

Fortunately, whether your environment is a new build or a retrofit, we have products designed for the job.

## Stand Safe Personal Spacing Disks

Protect customers and clients from COVID-19 and other virus exposures by ensuring they maintain a safe distance while standing in line. Stand Safe repositionable vinyl disks provide durable performance and flexible design for customer lines

## Workplace Safety Barriers

These challenging times have forced us away from the office in an effort to stay safe. Make sure your office is ready when it is time to return. The requirements for physical distancing will not disappear. Keep your team safe and help your employees feel comfortable returning to the office with stylish, protective divisional screens.
