RE: Support – Restoration Hardware Gallery & Restaurant at Old Town

Dear Town of Los Gatos:

As a Los Gatos business, we support the proposed Restoration Hardware Gallery & Restaurant at 31 University Ave. This project will (1) strengthen the Town’s tax base, (2) increase downtown foot traffic and cross-shopping for nearby businesses, and (3) enhance Los Gatos’ appeal for residents and visitors.

We respectfully urge approval of the project and the associated Planned Development (PD) amendment. Thank you for your consideration and for your service to our community.

Sincerely,
